1. Thank everyone for participating.
2. At this meeting, ask your Action Step leaders to review your progress with each the Steps adopted in Meetings 1-9. **Discuss how your practice will continue your work on these topics:**

- Energy Efficiency
- Solid Waste & Recycling
- Education
- Drug Disposal & Chemicals
- Healthy Foods in the Office

Green Doctor Office Recognition

Marguerite A Pennoyer, M.D.
Scarborough, ME

Green Doctor Office Recognition acknowledges this office's demonstrated improvements in environmental practices and commitment to educating the community on topics such as energy efficiency, water conservation, recycling, solid waste management, chemicals in the workplace & home, transportation choices, renewable energy, healthy foods, & climate change.

For further information, go to www.MyGreenDoctor.org.

3. If you have not done so already, email your Green Team Notes forms, or any records that you have created, to My Green Doctor (<https://mygreendoctor.org/contact/>) and tell us that you have qualified for your Green Doctor Office Certificate. The Certificate is valid for three years and free to offices with a colleague who is a member of one of My Green Doctor's partnering or participating organizations (<https://mygreendoctor.org/welcome-to-my-green-doctor/our-partner-organizations/>). The cost of your certificate is \$250 (U.S.) for non-members, so this could be a smart time to join one of our partner societies! Print two copies of your Certificate and buy simple frames to display this proudly in your waiting room and lunchroom. Post on social media that your office, clinic, outpatient center has earned the Green Doctor Office Certificate and describe your journey for the benefit of others.

4. Announce the date for the next meeting, continuing to add five minutes of My Green Doctor to each of your practice's business or planning meeting.

5. After the meeting, complete the Green Team Notes form. Keep it very brief– not more than 5 minutes for the Notes:
